1/9/2002	LadyRaven39		HE WAS FANTASTIC!! HE IS A MUST CALL! HE BLEW ME AWAY WITH WHAT HE SAW! I HAVE MADE A NEW FRIEND TODAY!!!! GIVE HIM A TRY! HE WON'T DISAPPOINT YOU!
1/8/2002	Member 873122		Mike is the absolute best. There have been so many times where he has told me things that I have never mentioned to him, like the fact that I was adopting and that they were from Russia. I was always skeptical of psychics, but since I found Mike 4 years ago, I wouldn't go to anyone else. MIKE IS THE REAL THING.

5/15/2002	The Psychic LovePuppy		I thought Mike was too the point and accurate. He didn't sugar coat things and said what he felt. I'd recommend him to anyone and plan on calling the future. John

1/17/2002	housesparrow		a truly gifted psychic who you can count on for honesty. He kept telling me that he saw I would be getting a cat, a fluffy cat.I did not really anticipate that I would because I live in an apt but I remained open to the message because sometimes we are given things in a much differant manner than we expect. Next nite on a dark road I saw a cat lying in the road, what caught my attention was that the cat looked fluffy so I felt it had just been hit by a car.I felt it, it was warm its heart was beating.I HAD been given a cat, one that

needed me to save its life. Mike is truly a messenger of truth. I could list more that has come true but space is limited here. 10 stars
